

Sunparks Acquisition Project

The Pierre & Vacances Group and Mr Mark Vanmoerkerke, shareholder of the Belgian Sunparks Group, have agreed upon exclusive negotiations regarding the potential acquisition of Sunparks.

The Sunparks Group operates four recreational villages in Belgium comprising a total of 1733 cottages.

In accordance with the confidentiality undertaking, further information will not be communicated until the end of the due diligence period which can take up to two months.

This acquisition project forms part of the European growth strategy of Center Parcs Europe.
